

Question, Questions... I Have a Plan!

Name: _____

Date: _____

DIRECTIONS: Start with your BIG question or topic. Then narrow it down to some smaller questions. Finally, make a plan for how you will find the information you need and how you might present what you learn!

My BIG topic or question is: _____

My smaller questions are: _____

My plan for finding information I need includes the circled resources.

- Science Magazine
- Books on My Topic
- Internet
- Encyclopedia
- Observe with My Own Eyes
- Experiment
- Visit a Museum or Park
- Online Catalog

Here is what I am thinking of creating to show what I learned: _____
